Popular Attraction Com- ing

"The Shepherd's Call" is a quan-
tified attraction, backed by the
Perry Amusement Co., with eleven
first-class entertainers. Carry full
acting cast and feature vaudeville
singing and dancing between the
acts.

Mr. Fred Harris will be seen in the
title role, "The Shepherd" in the
Lyric Theatre, Bellevue, on Monday night next.
He is not only a finished actor but
is type fitted to this part, supported
by an excellent cast of seven people.
(Not how many but how good.) Story
of the play viz: A young school
mistress who has fallen in love and
runs away to Montana and starts life
over again. She is making good un-
til she meets a man from the east
who threatens to tell her past to his
friend who is her sweetheart, and a
minister of the gospel. Pleading
does no good and she is left heart-
broken upon the snow. The old
Shepherd is returning from his fold,
finds her and escorts her into the
church where the new minister is
preaching. Mr. Tommy Grant as
Noan Crane, the minister, is another
great part in this play. Miss Mil-
dred Aubrey as Helena, the school
mistress from the east, in the lead-
ing role of her part was also selected as
a true type for the part. Toby, the
wild kid, and his school mates will
keep you bubbling with laughter.
Mr. Billy Arthur will be seen as
Toby.

Good clean specialties will be in-
troduced between acts, and remember
Mr. Perry's guarantee with all his
shows. Four moneys worth or your
money back. Special scenery for
every act, including the great snow
scene in Montana amongst the hills.

A NIGHT OF TERROR
Few nights are more terrible than
that a mother looking on her child
choking and gasping for breath dur-
ing an attack of croup, and nothing
in the home to relieve it. Many
mothers have passed nights of terror
in this situation. A little lincthough
will enable you to avoid all this.
Chamberlain's Cough Remedy is a
certain cure for croup and has never
been known to fail. Keep it at hand.
For sale by all dealers.

Two Killed at Hillcrest Mine

Hillcrest was the scene of an-
other fatal accident on Friday
night, when two men, named Wil-
liam Thomas and Pacific Sinette
were instantly killed, the cause of
the accident being the snapping of
a rope cable on the No. 2 slope.
The accident occurred about 5.30,
just as the men were about to
come off shift. The bodies were
brutally mangled.

The rope which caused the loss
of the two lives had been inspected
very recently, and had been passed.
A coroner's inquest was held on
Saturday before Coroner Pinkney.

Thomas was an old-timer in the
Pase coal fields and was of Welsh
birth, and a general favorite with
the fellow workmen. He leaves a
family. Sinette was of Italian
birth and was married.

The funeral took place at Hill-
crest on Sunday afternoon and
were largely attended.

Popham-Albert Nuptials

A very pleasing event took place
at the home of the bride's sister,
Mrs. D. O. Drain, on Saturday
evening last, when Mr. N. E. Pop-
ham, of the Alberta (Orrington)
Telephone, was united in the
holy bonds of matrimony to Miss
Adella Albert, Rev. J. F. Hunter
performed the ceremony. After
a delectable supper had been served,
partaken of by a number of im-
mediate friends and relatives, the
young couple retired for the night.
The young couple resided for
Pincer Creek, where they will reside.

To Dependents of Those at The Front

We are asked by the Alberta
headquarters of the Canadian Pa-
triotic Fund to request all who are
entitled to benefit under the Cana-
dian Patriotic Fund, that is De-
pendents, mothers and other depend-
ent relatives of men who have
gone to the front, to communicate
with the secretary, John Blue, at
Edmonton, and their case will re-
ceive prompt attention. It is
feared that there are some who are
not receiving the money they are
entitled to. In a number of cases
the addresses given by the soldier
have been very vague, with the
result that the committee have a
number of cheques but do not
know where to send them.

The high wind of Monday night
did damage to the extent of about
\$1,000 to the plant of the Rocky
Mountain Cement Co.

ceived a postal card from M. Plas-

A sitting of the board of Home
commissioners was held at Mac-
leod yesterday, when the applica-
tion of Mrs. J. H. Budd for a
hotel license and Michel Rose for
a wholesale license came up for
consideration. The commission-
ers' decision will be rendered on
December 22nd.

A Good One!

The undersigned is pleased to notice
that out of seven candidates who signed
a petition opposing any application for
a wholesale license not one was a
supporter, and the majority were not
even residents of the Town of Blair-
more.

Two days later the bank became suspicious and made inquiries, only to find that none of the cars was standing at Coronation full of coal, while the others turned up as "empty" at various places along the line.

Preachers Responsible For War

Pastor Russell, speaking at the New York City Temple last Sunday, laid two heavy charges against the sects of Christianity and especially against the preachers.

He declared that the present war largely the result of false religious teachings. The Czar of Russia, impelled by the erroneous theology of the Dark Ages, believes in the mission of Russia and this Greek Church to control the world, and views the present war as a step in that direction.

Stuller's King George V. head of the British nation and the Church of England, imagines a similar destiny for his nation and church. Finally Kaiser Wilhelm III tells his army and the Lutheran church of Germany that he is ordained by the Holy Spirit as the sword of the Lord to punish, to destroy opponents of German progress, whose destiny, he believes, is world-wide. Centuries ago the kings of Europe were told that they were the sword of the Lord and of the church and they will believe in Christian teachings have been agitated free from those traditions, but they have not succeeded in the kings and the people. Their neglect of their duty is largely responsible for this war. They are bloodguilty.

Pastor Russell further charged the ministers with responsibility for the revolution and anarchy which will follow the war, according to the Bible. They no longer believe the doctrine of eternal torment of all but one in a thousand of humanity, yet they have told the people. They are bloodguilty.

Considerable damage was done around here on Wednesday by the heavy wind. Another portion of the tangle was carried away and several poles and wires were blown down. The C.P.R. standpipes are also moved from its foundation.

The night classes commenced on Monday evening at the school here in town on Wednesday. The preparatory class under Mr. Lavin, engineer for the coal company. The class in English was started Tuesday evening under Rev. W. T. Young. The singing class which was to have been taken in charge by J. H. McDowell failed to materialize, owing to insufficient attendance, but it is hoped it will proceed at next week.

Great credit is due Rev. Mr. Young for the interest he is taking in the establishment of a gymnasium. Such an institution will be a boon to the town this winter, and it is hard to realize what might develop from it in the future. It is up to all now to show their appreciation of the efforts already made by joining the school in other ways, assisting. The men to be derived by the members will repay them a hundred fold what ever the expense may be. Get out and help things along and don't forget that Mr. Young is a friend of sport and has always been an enthusiastic runner.

Maria's recruits met the gymnasium first team on Wednesday evening. The last time these teams met was when the recruits made their debut on the field. Since then the latter have been carrying everything before them. On this occasion the "gym" team fully expected to win out. The team lined up as follows:

March (capt.). Tristram, Parker, Patterson and Kennedy.

Gymnasium—Harvey (capt.), Hamilton, Big Dan Clark, Rev. Hart.

The game was well played from the start. The "gym" secured the first penalty, but failed to score. The recruits then took the lead, which they maintained throughout the game. At the end of the first period the recruits led by 18 to 4. The second period was still more exciting. The "gym" tried hard to get ahead, but the recruits' starting powers were strong for them, the recruits winning out by 23 to 18. Parker scored 21 points and Kennedy 2. Parker is some scorer. Another game will probably take place next Wednesday evening.

Boasting for Blairmore (?) A petition signed by a number of so-called "leading citizens," and presented to the Board of License Commissioners, at Macleod on Thursday, placed the population of Blairmore at 700.

The game was well played from the start. The "gym" secured the first penalty, but failed to score. The recruits then took the lead, which they maintained throughout the game. At the end of the first period the recruits led by 18 to 4. The second period was still more exciting. The "gym" tried hard to get ahead, but the recruits' starting powers were strong for them, the recruits winning out by 23 to 18. Parker scored 21 points and Kennedy 2. Parker is some scorer. Another game will probably take place next Wednesday evening.
